

Indian Dental Association Initiative

WORLD DENTAL SHOW & SCIENTIFIC CONCLAVE

8-9 NOVEMBER, 2025
JIO WORLD CENTRE, MUMBAI

World Dental Show

The World Dental Show is an initiative of the Indian Dental Association (IDA), aimed at advancing the field of dentistry through education, innovation, and collaboration.

WDS, the annual showcase covers all aspects of the dental industry under one roof. WDS serves as a platform for trade and knowledge sharing, presenting the latest technologies, cutting-edge research, and advanced dentistry techniques to meet the growing demands of the dental science field.

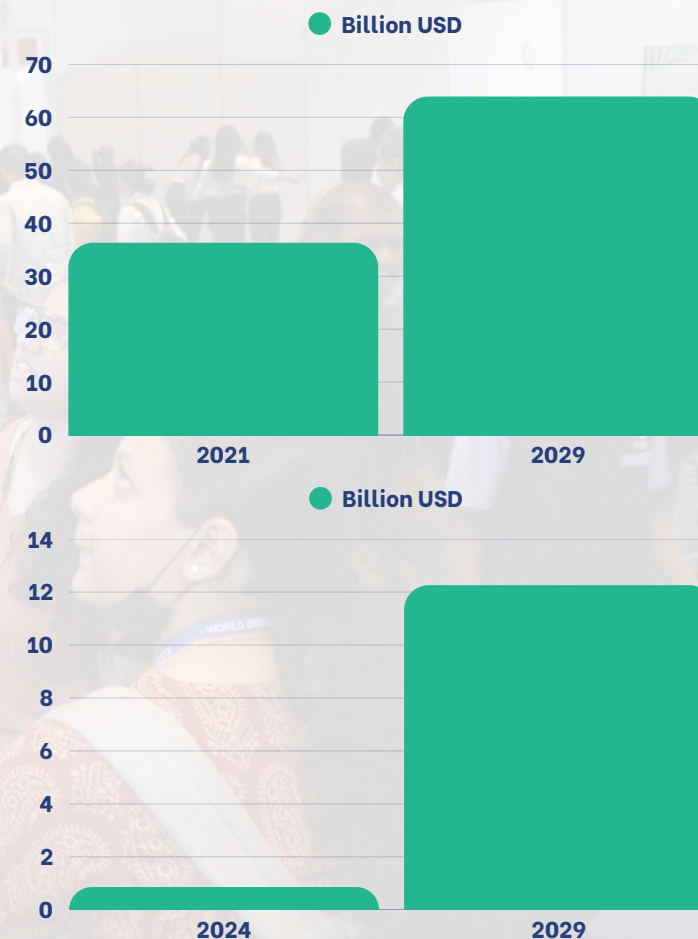

WDS satisfies the constantly growing needs of the oral and dental health care industry by providing the newest technology, state-of-the-art research, and advanced dentistry techniques. It also acts as a platform for information sharing and trade.

Dental Market

The global dental market size was valued at USD 36.32 billion in 2021. The market is projected to grow from USD 38.84 billion in 2022 to USD 63.93 billion by 2029, exhibiting a CAGR of 7.4% during the forecast period.

The India Dental Devices Market size is estimated at USD 0.86 billion in 2024, and is expected to reach USD 1.53 billion by 2029, at a CAGR of 12.26% during the forecast period
